Office Memorandum • UNITED STATES GOVERNMENTTO : , Staff Assistant, O/NE

DATE: NOV 3 1953

FROM : Chief, Security Control Staff/SO

SUBJECT: Distribution Abroad of the National Intelligence Digest (NID)

REFERENCES: a. Memo from to D/S dtd 26 Oct 53 - Subject as Above
b. Memo from D/S to O/NE Staff Assistant dtd 21 Oct 53

1. Reference "a." raised the question as to whether the physical location of various Senior Representatives had been considered in connection with reference "b.". By reference "b." this Office recommended that the NID's receive no distribution overseas.

2. The physical locations of the various SR's was not a deciding factor in the recommendation of this Office. As stated in reference "b.", the NID is a condensation of the end-product of the intelligence estimating function of this Agency. From the standpoint of importance of this document, it was felt that it should not be released outside the U. S. but could be made available for the review of the various SR's when they make trips back to this country.
